ALGONQUIN

1970
1970

All the world's a Stage,
And all the men and women
merely players.

Shakespeare, As You Like It
Act II Scene 7

A Shakespearean quotation,
but far from out dated,
as you will see.

The 1970
Algonquin

Algonac High School

The real war will never get in the books!

The text is old the orator too green!

The strength of twenty men!

They make sweet music!

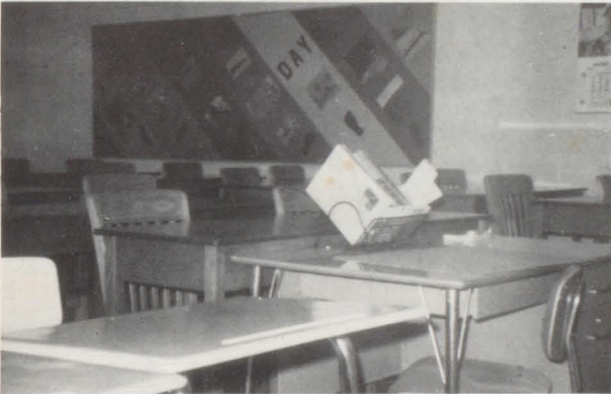

The pleasing punishment that women bear.

In thy face I see the
map of honor, truth
and loyalty.

I am a lover and have
not found my thing to
love!

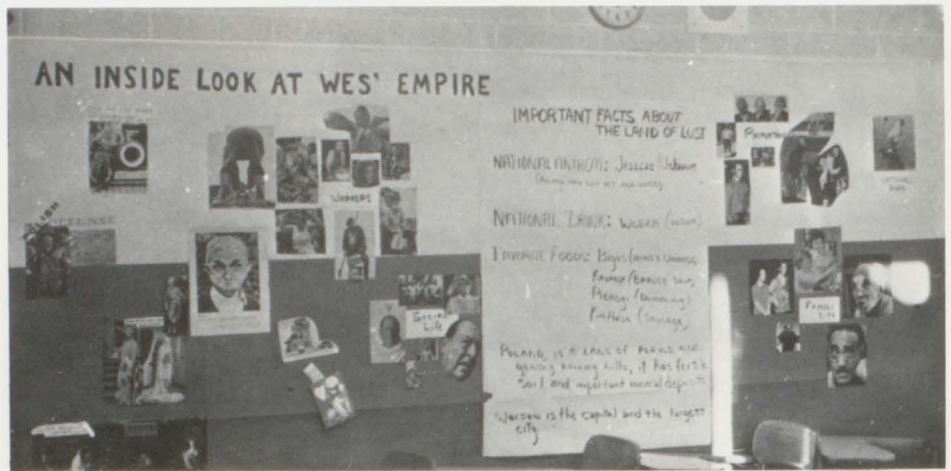

A world where nothing is had for nothing.

Better make a weak
man your enemy than
your friend!

Nature teaches beasts to know their friends.

By the work one knows the workman.

God made him, and therefore let him pass for a man.

People who make no noise are dangerous.

I drink to the general joy of the whole table.

We boil at different degrees.

Wit and wisdom are born with a man.

Good words are worth much, and cost little.

THE DIRECTORS, have led the way, guided, taught, set examples, and stayed with all of us throughout many unreasonable pressures.

We hold in memory, the times they showed their spirit, gave us tests, homework and assigned term papers, chaperoned dances, came back to substitute, were our friends and enemies, bought all our ridiculous things for money making projects, made out report cards and presented awards throughout the 1969-70 school year.

THE SUPPORTING ACTORS, are Freshmen, Sophomores, and Juniors.

They progress through three years of hard work towards the final goal of becoming a Senior. In the process of completing these three years they come upon many new experiences.

As Freshmen, learning the way around school is their first objective. Half of the first day of school is set aside for the Freshmen. They have the entire school to themselves, with the help of teachers and upperclassmen to guide them. They also meet upperclassmen, make new friends, sponsor dances, and look forward especially to being an upperclassman.

Being a Sophomore can be a welcome rest from the teasing and heckling which most Freshmen receive. They have one main project as a Sophomore, the magazine sale. They look forward to next year, a little nervously, since as a Junior they have many more responsibilities and projects.

The Juniors have a large part in Student Council, since next year they will be the Seniors who will run it. The J-Hop and Junior-Senior Banquet keep the Junior class very busy. A great deal of preparation goes into these two events. When June arrives they are most eager to welcome the next school year in as a Senior.

Romeo, Romeo, where

Science is nothing but perception.

So fight I, not as one that beateth the air.

I would live to

to live.

I am tied to the stake, and I must stand the
course.

THE STARS, the Seniors, have gained many memories within these past four years, to cherish forever.

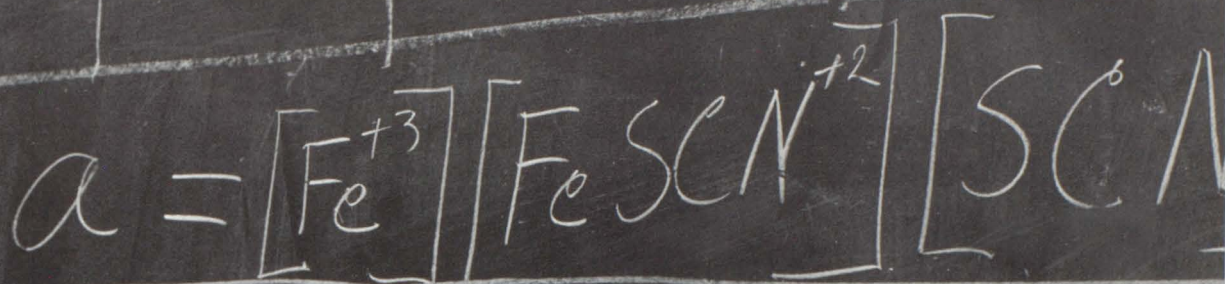

As a result, we leave the play as better people. More experienced, and maybe a little wiser.

As frantic Freshmen, Act I held great amounts of uncertainty and anticipation for us. As the curtain opened on Act II, we were able to demonstrate our talent by making the magazine sale a huge success.

Our talents were proven further by bringing the beauty of San Francisco to our J-Hop in the midst of Act III.

Now we approach Act IV, the last act. The final curtain is slowly drawing to a close. As we leave, we must remember that there are many stages in life and we have completed only one.

THE ACTION! The teams, the crowds, the excitement, the thrill of victory, and the agony of defeat; all these factors constituting another "big year" for Rats of all shapes and sizes.

For the first time, as a varsity sport, the long-winded Rats, under the leadership of their coach, Mr. Gardner, took their post on the cross-country course.

With the dean of the SCAL coaches, Mr. Garrett, as their task master, the Rats of the grid-iron made themselves subject to long hours of grueling practice and fiery competition.

With the first snowfall, the Rats took to the indoors. Coach Greenwood and his cagers made 1969-1970 one of the most successful seasons in a good while.

As the ice cleared, Coach Garrett's "nine," Mr. Jackson's "netters," and Mr. Aver's track stars took their respective positions at AHS once more. Also, Mr. Brown's varsity men hit the links for nine holes of great golf to represent AHS on the golf course.

The action of 1969-70 was far from limited, as the Rats once more proved that **THEY** are tops in the SCAL.

When the ice finally breaks and the sun shines for the first time to melt away the snow, the first symptoms of spring fever hit our golfing rats. Eagerly they shine up their clubs, polish their woods, and make ready to do battle with their opponents, under the direction of Mr. Brown.

Though plagued by wind and rain, bent clubs, lost balls, and that tricky fourth hole, our rats of the fairways persist in carrying on the old tradition of A.H.S., never say die.

The sun doesn't only turn on the putters, but also the netters. As the nets go up, they immediately start for the asphalt square with racket in hand and tennies on. Awaiting the first real volley of a game, they practice hard. As head task master, Mr. Jackson makes them show their ability in closing a great season.

THE STUDENT DIRECTORS are essential to any successful production. Trying out their new roles as leaders, accepting responsibilities, they take a step closer to maturity.

Leadership, participation; both these endeavors give students experience in working together and doing a job well. They offer a chance to do things outside the close supervision of a classroom sharing ideas with others.

The sense of unity that comes from group activity, the personal satisfaction of contributing to an organization, a sense of commitment; all these feeling and opportunities can be had by the STUDENT DIRECTORS.

The famous cry "read all about it" was heard echoing in the halls every Wednesday morning.

The minute you walked in the school you were tackled by a circulator.

We owe the success of the Algonquin to the editor-in-chief, Cathy Morrison who used her wit to write the editorials, to Mrs. Ford our new advisor, to John Trix and Heidi Pocklington for their fabulous funnies on the feature pages, to all the last minute reporters, and to the duplicators for staying till all hours of the night running off our paper.

The school year began, and so did an exciting football season. This meant every third hour you could hear the shrill whistle of the drum major, the beat of the drums, and the clang of the cymbals as the band practiced for their first halftime show of the year.

At the first halftime appearance of the band, not only did they sound good, but they looked good as well. Their new uniforms, acquired only a short time before sparkled under the field lights. The audience proudly watched another excellent performance.

Performing at football games is only one of many things the band did during the year. The band presented concerts, marched for parades, and raised money for the trip to the eastern seaboard, at Atlantic City, New Jersey, where they will march in the Lions International Convention Parade. A great deal of planning, practicing, and marching was involved in preparation for this trip.

The 1969-70 year was a busy year for the band. They brought much enjoyment to the students and proud people of Algonac.

The Occupational Education Area Program has been in operation for approximately twenty-five years. It is a program for those students who usually do not plan on attending college. This program offers these students the opportunity to learn an occupation and to use this knowledge for a job after graduation.

This program is not taught by a regular teacher. The teachers qualifications for these positions are mostly experience and in some cases a college education. Whatever the case, they are all certified teachers. Each of the participating schools provides one program.

Straining harsh discords and unpleasing sounds.

Nothing to look backward to with pride, and nothing to look forward to with hope.

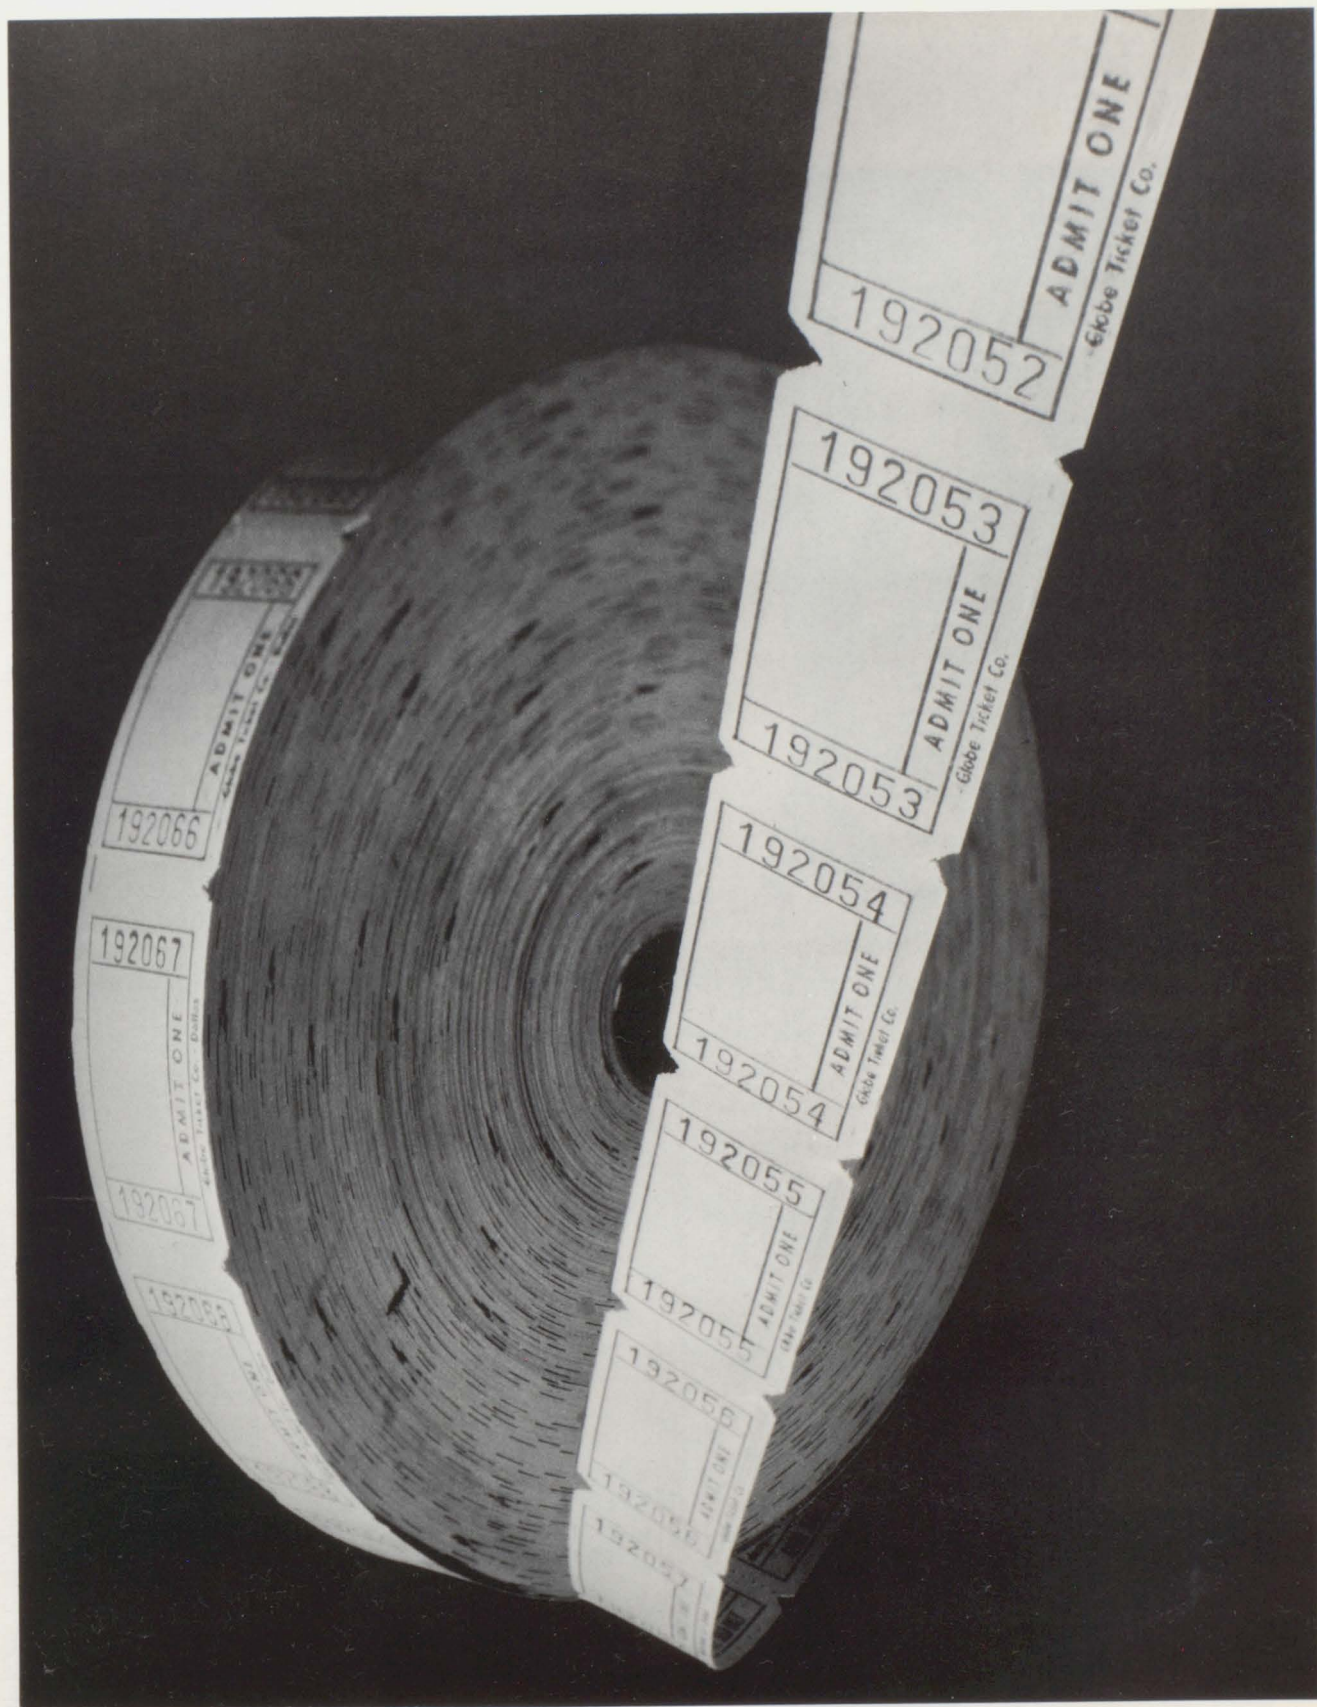

THE PERFORMANCE. We, as actors, have played a vital role in the most important stage of life which we call high school.

We have contributed to making our stay at this theater a huge success. We have participated in many activities and events which lead directly to the fulfillment of our high school obligations.

Among these activities in which we have participated in are Homecoming, Senior-Faculty Game, the Senior Play, and the annual J-Hop.

These events have added tremendously to the excitement of the school year.

ACTIVITIES

FRONT ROW: Peggy Ahearn, Terry Isaacs, Cindy Moran. BACK ROW: Rosalyn Kelly, Mary Charron, Michele Karner, Debbie Lowes.

Fight to the last gasp!

God made him, and therefore, let him pass for a man.

Old fashions please me best.

I fear I am not in my perfect mind.

Queen Peggy!

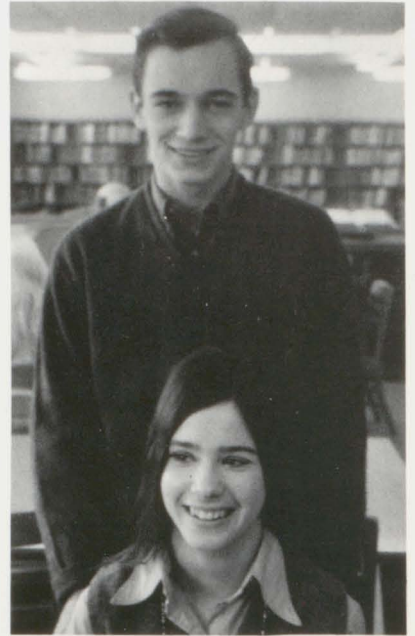

Play out the play.

HOMECOMING turned out as an amazing success this year. The spirit built all week with activities every day. The freshman hats, spirit ribbons, Rats buttons, plus the decorated halls added much color to the school. Assemblies Wednesday, Thursday, and Friday brought many questions, mini floats, and games. As Friday night arrived. Peggy Ahearn was crowned Algonac High School's Homecoming Queen. Miss Nugent was the surprised honored guest as Student Council's own queen. Even though the Rats did not rule, Peggy and her court did at the dance following the game.

It is work which gives flavor to life.

And when we think we lead, we most are led.

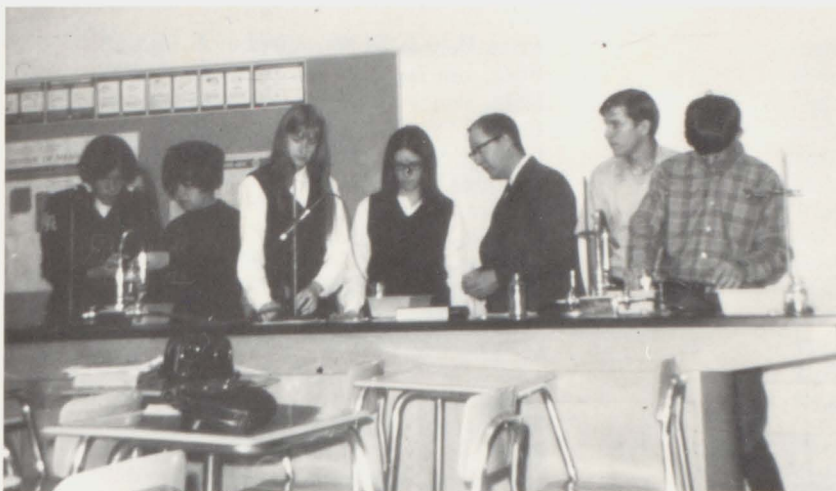

Laughter is never an end, it's a by-product.

I see the jewel best enameled will lose its beauty.

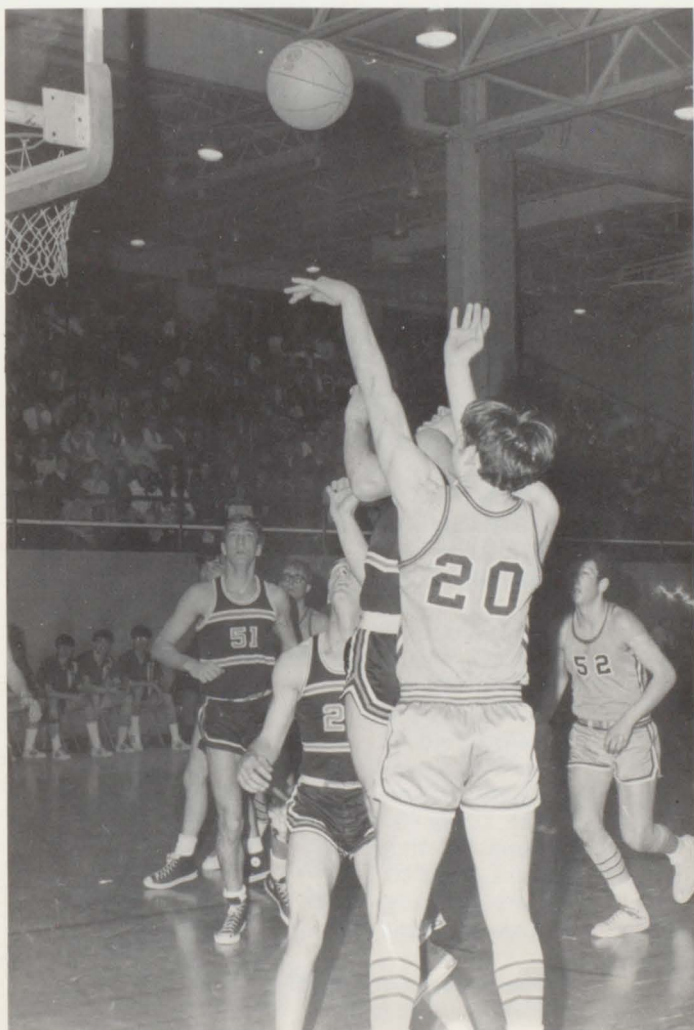

FAIR HAVEN FLASH!!!

O this learning, what a thing it is!

Open your gates and give the victors way.

We could not stall together.

A faithful friend is the medicine of life.

Suspense, the only insupportable misfortune of life.

The Seniors have now completed the last four acts of their high school education. These acts have represented many happy and heartbreaking experiences.

The future holds more new and exciting experiences. The major acts of our lives are soon to come and will be of many different types.

Our Senior year, the final act of high school has completed a phase of our lives. It is as Nathaniel Cotton once said, "Tis the last act which crowns the play."

The memories of these halls and classrooms are etched in our minds forever. We look forward to the future not only with great anticipation, but with great determination.

As editor of the 1970 ALGONQUIN I wish to thank everyone for their help and cooperation, especially to the staff who worked so hard to make this yearbook a success.

After writing a great deal of copy, obtaining many pictures, drawing many layouts and experiencing great frustrations, the 1970 ALGONQUIN is presented to you in hopes that you will enjoy it and remember the class of '70.
